

Security level: CLASSIFIED

Operation: Bee Power

Active Agents: Spyology Squad

Mission Start Date: Immediate

Background Info: Dr. Stinky Breath and the purple ninjas had quite a ploy stealing the bee population and disturbing the production of vital fruits and vegetables. Jaden and Ava saved the bees, but we need assurance the problem is 100% resolved.

Assignment: Ensure safety of the bees

Phase 1 Without disturbing pollinators near you, find evidence that bees are active. Are plants blooming or gardens growing? Have you seen any bees? We need field notes, pictures, and evidence.

Phase 2 Sample fruits and vegetables to ensure viability. Can you log your taste tests?

Report all your findings back to HQ.

We are counting on you, Agent.

Mr. Jim

Spyology Squad Director
